

EPISCOPAL BODY TO MEET IN OCTOBER

Executive Committee Announces General Convention Will Convene in New York.

The executive committee of the Protestant Episcopal general convention has announced that the general convention of the Episcopal Church will be held next fall in New York city. This is the first convention to be held in New York for nearly twenty-five years. The convention will open on October 8 and will continue for three weeks.

Once in every three years diocesan and missionary districts choose one clerical and one lay deputy to the general convention. When the convention opens 110 bishops and 600 deputies, the latter equally divided between clergy and laymen, will be present. The convention will represent more than 1,000,000 communicants. The first service will be held in the Cathedral of St. John the Divine.

The convention will sit at two houses, the house of bishops and the house of deputies, each having a veto upon the other. Its primary object is to make laws for the government of the Episcopal Church in this country. The house of bishops will meet in Old Synod Hall in private sessions. The house of deputies will hold public sessions in New Synod Hall, which was presented to the church by J. Pierpont Morgan and W. Bayard Cutting.

Sermons on "Family Circle." Beginning tomorrow night, the Rev. Samuel H. Woodrow will begin a series of short sermons on "The Family Circle." Dr. Woodrow will treat the problems of the home and how they should be met. The titles of the sermons, which will be delivered on the next four Sundays, are: "Choosing a Wife," "Choosing a Husband," "The Husband in the Home," and "The Wife in the Home." The services will begin at 8 o'clock.

The First Spiritualistic Church of Washington will hold special anniversary services tomorrow afternoon and evening in Pythian Temple. Addresses will be made by the Rev. George W. Kates, Mrs. M. T. Longley, and spirit messages will be delivered by Mrs. Roth, Mrs. Mather, Mrs. Henry, Mrs. Rippe, and Mrs. Kates. The world's pilgrim and missionary, Dr. J. M. Peebles, of Los Angeles, Cal., who is now on his way to the International Congress at Bern, Switzerland, will deliver an address at Pythian Temple on Thursday evening. Dr. Peebles is now ninety-one years old.

Evangelist Menta Sturgeon will address the Washington Temple congregation tomorrow afternoon at 2 o'clock in New Masonic Temple on "Liberty-Rest-Home." Evangelist Sturgeon was to have addressed the Washington Temple congregation several weeks ago, but on account of illness has been unable to appear until tomorrow.

The usual Sunday services will be held in St. Patrick's Cathedral tomorrow. Masses will begin at 7 o'clock and continue until 11, when solemn high mass will be celebrated by the Rev. Eugene Burke, of Holy Cross College. The Rev. John Delaney will deliver the sermon.

The League of the Good Shepherd will resume its regular weekly meetings on Sunday night at 7:30 o'clock, with Mrs. Russell, its director, officiating. He will also deliver the sermon and give the benediction of the Blessed Sacrament, assisted by the Rev. John M. McNamara.

ANACOSTIA POLICE TO STOP SPEEDING

Mounted Officers and Motorcyclist Will Watch Roads and Enforce the Law Against Automobilists Going to and From the Marlboro Races.

WASHINGTON TIMES BUREAU
ANACOSTIA, D. C., MARCH 28.—With the opening of the Marlboro races, Anacostia policemen expect to be kept busy enforcing the law against the speeding of motor cars. There are several points within the District limits to which the policemen will give their attention, and all persons going to and from the races will be made cognizant of the presence of the watchers. A motorcyclist policeman will do much of the work, but mounted policemen will be on the roads also.

Methodist pulpits in Anacostia will be filled by visiting clergymen tomorrow, as the Rev. Merritt Earl, the pastor at Congress Heights, and the Rev. Samuel W. Griffin, of the Anacostia M. E. Church, will not return from the Baltimore conference to conduct services.

Congress Heights Methodists feel assured of the reassignment to that charge of the Rev. Mr. Earl for his third term. No information yet as to Anacostians yet as to the identity of the minister who will succeed the Rev. Mr. Griffin.

The results of the work done by the committee of the Anacostia Citizens' Association appointed to make known something of the historic interest attaching to Anacostia, as well as to boost the advantages of the suburb as a place of residence, will be in such shape by the April meeting of the association.

Largest Labor Union Formed in England
LONDON, March 28.—The National Union of Railwaymen, which came into existence today through the merger of the Amalgamated Society of Railway Servants, the United Pointsmen and Signalmen's Society, and the General Railway Workers' Union, is the largest labor union in the United Kingdom, and probably the largest in the world, its membership being 138,000 and its resources \$2,230,000. The amalgamation of the several societies into one organization is the first instance of any trade union adopting the syndicalist idea of a union covering all sections of an industry, in preference to the old system of organization by craft or trade. The principal object, of course, is to make it possible for the new society to call out practically every person in the employment of railway companies in the event of a strike.

The Associated Charities fund for the two widows and their children is reported to be growing. So far \$44.75 has been contributed, and more is needed. For the widow with four children, the eldest of whom is a girl of ten years, \$52.75 is needed.
